#1) Projects Underway or Completed with Mitigation Grant funding - Quarterly Reports on file with NJSP OEM Mitigation Unit: (Brief Project Description)

No projects are currently underway or completed with mitigation funding.

#2) Which Projects listed in HMP (appendix 1.9) are still valid and to be considered for funding:

As part of Community Action # 3- Hardening of Shelters: the Township OEM coordinator is researching the possibly of submitting a grant application provided by FEMA for funding under the Pre-Disaster Mitigation grant program. The monies would be utilized to offset the cost of installing an emergency generator for two critical facilities our police and town hall buildings. The current old generator currently located at the police barracks would be relocated to our Public Works facility supplying them with an adequate supply of power to keep the facility in operation. Community Action #'s 1,4,5 and 6 are also still valid and are to be considered for funding.

#3) Projects underway or completed (identified in appendix 1.9, or not) using funding other than Mitigation Grants:(Brief Project Description)

Community Action #2 regarding the elevation of a residential home located in the special flood zone has been completed as of May 2015. The home owner working with the local flood administrator was able to secure a ICC claim and received approximately \$30,000 in grant funding from FEMA to help offset the cost of lifting the home.
