#1) Projects Underway or Completed with Mitigation Grant funding - Quarterly Reports on file with NJSP OEM Mitigation Unit: (Brief Project Description)

Community Action 2 - HMPG 4086 Energy Allocation. The Borough has received pricing for one emergency generator for both the DPW Garage and Water Treatment Plant from the NJPA (National Joint Powers Alliance) national co-op vendor. We have contacted NJ Natural Gas for gas service sizing.

Community Action 3 - HMPG Irene funding to elevate one home. Flooding caused by McGellairds Brook.

#2) Which Projects listed in HMP (appendix 1.9) are still valid and to be considered for funding:

Community Action 1 - Stream Cleaning/improve storm water drainage system capacity. Cost estimate \$20,000.00 per year

Community Action 3 - Elevation and/or acquisition of flood prone residential properties. Cost estimate unknown

#3) Projects underway or completed (identified in appendix 1.9, or not) using funding other than Mitigation Grants:(Brief Project Description)

The Borough has met with the County Engineer and Mosquito Commission regarding cleaning of a tributary to Weamaconk Creek, behind Carriage La and Hospitality Way, which is flooding and a mosquito problem. The Mosquito Commission is working on the permitting to complete this project. To be funded by County and anticipated to be completed in 2016.
