K-9 Graduation

I'm pleased to announce the newest team to the Monmouth County Sheriff's Office K-9 Unit. S/O Ralph Irizzary and his K-9 Fuze, a two year old German shepherd, graduated from the New Jersey State Police Canine Training Academy on June 17, after 33 weeks of intense training in explosive detection and patrol.

I have no doubt they will work hard and prove to be a great asset to Monmouth County and local police departments when it comes to bolstering homeland security capabilities, by playing a vital role in protecting our county against criminal and terroristic threats.

S/O Irizzary and Fuze graduated along with 21 other K-9 teams, who all met the requirements set forth by the State of New Jersey, Office of Attorney General guidelines. The teams who trained

I'm proud to say that the Monmouth County Sheriff's Office highly trained K-9 unit is one of the most successful in the state when it comes to assisting local police departments with narcotics detection, explosive detection and criminal or missing person searches.

Great job to SPST Jill Jarrett

Thanks to Monmouth County Sheriff's Office Senior Public Safety Telecommunicator, Jill Jarrett, a woman living in London, who was in distress from medical complications, was provided with the proper emergency care she needed.

It all began after SPST Jill Jarrett received a 9-1-1 call from a non English speaking Hungarian woman, who was calling from New York City. The woman was requesting EMS assistance for her mother in London, after not being able to reach her. SPST Jarrett immediately sought help from an interpreter of the language line the sheriff's office utilizes. Upon

interpretation of the situation, SPST Jarrett dialed out internationally and dispatched London Metro Police.

SPCA Hoarding

Sheriff Golden thanks all who participated in the tireless rescue efforts of nearly 300 dogs in the worst animal hoarding case in the state. The partnership that formed with animal welfare agencies, law enforcement and emergency personnel to save each and every dog is to be highly commended. Special acknowledgement to our own PST Tierney Park, who not only conducted Field Comm operations but assisted with the rescue of animals and vaccinations as well as provided additional Haz Mat protective gear.

Inmate Labor

Inmate labor crews have been out assisting communities with clean up around towns. This cost savings measure is the ultimate shared service. The most recent job was at Camp Happiness in Leonardo where they assisted with landscaping and debris cleanup.

Best of Luck to SLEOS

A great veteran's event was held at the Monmouth Mall on June 2 where people came out to inquire, participate and support veteran's services at the Starlight for Veterans information seminar. They were able to find out about veteran's IDs, benefits, compensation, pension claims, VA healthcare, health insurance, food pantries, special needs registry, Ident Adult, S.N.A.P., GoldStar Medi-File, medical alert card and surrogate services.

Many agencies supported the event and we look forward to participating in future programs that assist veterans with their needs.

Ride Your Motorcycle to Work Day

Sheriff Golden was proud to have Ride Your Motorcycle to Work day at the MCSO.

The nationwide event is held each year on the third Monday in June to promote the number of motorcyclists on the roadways and show that motorcyclists are a diverse group of people who range from all occupations. In addition it reduces traffic and parking issues especially in big cities, and, they are good for transportation and recreation.

Gunner Brings Home the Gold

K-9 Gunner brought home the gold after he successfully participated in the US Police Canine Association Scent Nationals held in Philadelphia recently. The top scent dogs from across the country competed for the title of Top Dog in scent detection. The competition consisted of two days of vehicle and room searches.

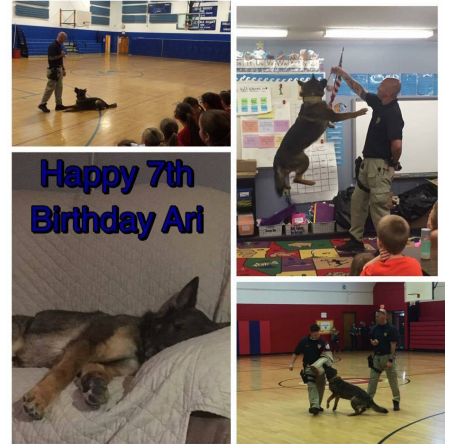

Gunner came in 5th in the vehicle search category and finished 6th overall in the nation for narcotics detection out of the 50 K-9s who competed.

Way to go Gunner.
