**#1) Projects Underway or Completed with Mitigation Grant funding - Quarterly Reports on file with NJSP OEM Mitigation Unit: (Brief Project Description)**

none

**#2) Which Projects listed in HMP (appendix 1.9) are still valid and to be considered for funding:**

Funding for firehouse construction.

Funding for additional brush collections during the year.

Cooperation with New Jersey Forest Fire Service in addressing woodland debris problem in forested areas of the Borough.

**#3) Projects underway or completed (identified in appendix 1.9, or not) using funding other than Mitigation Grants:(Brief Project Description)**

Spring brush collection is scheduled for April.

Bond issue to fund firehouse construction (or renovation) was defeated in a tie vote at a referendum held on December 15, 2015. An advisory council has been formed with representation from the Fire Department, the First Aid Squad, the Borough Council and opponents of the bond ordinance to explore all options that may be available to address Roosevelt's emergency services needs most effectively and efficiently.

Members of the Fire Department are scheduled to receive training so that they can better educate residents as to what they can and should do to protect their homes and properties against wildfires.
