#1) Projects Underway or Completed with Mitigation Grant funding - Quarterly Reports on file with NJSP OEM Mitigation Unit: (Brief Project Description)

Action Worksheet #4 - Elevation of Flood Prone Structures. All actions have been taken by private property owners. No public buildings to be lifted.

Action Worksheet #5 - HMPG 4086 Water Tank Generator - Install 100 KW natural gas generator to support 1 million gallon potable water supply / storage tank on Observatory Place.

#2) Which Projects listed in HMP (appendix 1.9) are still valid and to be considered for funding:

Action 1 Soil Stabilization \$950,000.00

Action 2 Flood Control measures for Many Mind Creek \$9,258,018 million

Action 3 Slope Stabilization \$1 million

Action 6 Portable generator for Harbor Commission Office \$62,000.00

Action 7 Install Bulkhead and flood proof openings around generator to ensure power at sewer storage tank / well - \$40,000.00

#3) Projects underway or completed (identified in appendix 1.9, or not) using funding other than Mitigation Grants:(Brief Project Description)

Project 1 - Borough purchased property at the base of Hillside Road which may help with mitigating water run off. No further action taken to date except routine maintenance.

Project 2 - Borough received a \$100K grant from the US Army Corp of Engineers for a study of Many Mind Creek. Borough is contributing \$50K towards estimated \$100K cost. Report is expected to be complete by June of 2017.

Project 6 - Borough and Harbor Commission had harbor office and fuel depot wired for a future generator at cost absorbed by local budget. This station fuels emergency vehicles - Police, Fire, EMS and municipal vehicle i.e. street and sanitation departments. Purchase / funding i.e. grant of generator is needed.
