POLICE RECRUITS GRADUATE AND EMBARK ON A CAREER IN LAW ENFORCEMENT

Freehold: Sheriff Shaun Golden is pleased to announce the graduation of the 90 newly sworn in law enforcement officers from the Monmouth County Police Academy. On May 24, 24 officers of the 92nd Basic Course for Police Officers and 66 officers of the 44th Basic Course for Class II Special Law Enforcement Officers received their police training commission certifications, during a ceremony at Neptune High School's Performing Arts Center.

“By successfully completing this training, these fine men and women have demonstrated their commitment to law enforcement,” said Sheriff Shaun Golden, whose agency had four officers graduate. “That is a great privilege, since there is no higher responsibility, than maintaining public safety. I’m proud of their accomplishments and commend all for a job well done.”

The Basic Course for Police Officers is a 20 week program with 780 hours of training run through the Monmouth County Police Academy. The Basic Course for Class II Special Law Enforcement Officers is a three month program and consists of approximately 600 hours of training with full police powers while on duty. Both classes are run through the Monmouth County Police Academy. Upon successful completion of the police training commission approved curriculum, the officers are well trained and well prepared to serve their respective law enforcement agencies.
