**#1) Projects Underway or Completed with Mitigation Grant funding - Quarterly Reports on file with NJSP OEM Mitigation Unit: (Brief Project Description)**

None

**#2) Which Projects listed in HMP (appendix 1.9) are still valid and to be considered for funding:**

- A) Community Action Number (CAN) #2 - Develop program to educate residents on severe storms and preparation.
- B) CAN #3 - Develop maintenance program to clean out streams. Develop mitigation solutions for floodprone roadways.
- C) CAN #4 - Identify and map areas of potential slope failure. Develop steep slope ordinance.
- D) CAN #5 - Develop plan for mapping areas of wildfire risk and setting up emergency alerts and fire rescue.
- E) CAN #6 - Purchase NOAA weather radios for critical facilities.
- F) CAN #7 - Develop resident education program for winter storm events.
- G) CAN #9 - Purchase emergency backup generators for pump stations and key traffic signals.
- H) CAN #10 - Elevation and/or acquisition of floodprone residential structures.

**#3) Projects underway or completed (identified in appendix 1.9, or not) using funding other than Mitigation Grants:(Brief Project Description)**

- A) Community Action Number (CAN) 1 - Develop stormwater management plan and regulations/ordinance. The Borough has a stormwater management ordinance that was developed with local funds.
- B) CAN #8 - Plant ice and wind resistant trees and use landscaping practices to reduce related hazards. This is an ongoing project using local funds when necessary.
