A Message from the Sheriff

The Monmouth County Sheriff has instituted an agency-wide commitment to excellence. The men and women who serve here are dedicated to maintaining the highest standards of professionalism and excellence in the field. We will bring together the right team, provide the most comprehensive training, and utilize the latest technology to remain among the premier law enforcement agencies in the nation.

As testament to our commitment the Monmouth County Sheriff's Office is the only county in the state to achieve "Five Star" accreditation of the Law Enforcement Division, the Corrections Division, Correctional Healthcare, the Communications Division, and the Monmouth County Police Academy. We serve as a role model to other Law Enforcement Agencies throughout the state and will continue to raise the standard of law enforcement excellence in New Jersey. Teamwork, training and technology are three essential tools the Monmouth County Sheriff's Office uses to ensure our county remains a great place to live, work and raise a family.
