Dear Veteran,

Thank you for your service to our Country and interest in supporting the Monmouth County Sheriff's Office Community Outreach Programs. It is the mission of the MCSO Office of Emergency Management and preparedness to respond quickly, efficiency and effectively in the provision of a coordinated response to emergent situations for residents of Monmouth County. Your contribution towards the accomplishment of this mission is critical, as we recognize the valuable resource we have in our veteran community.

Through our community outreach program "Veterans Emergency Training Service (V.E.T.S.)", we acknowledge that Military Service members and Veterans have unique skill sets that are extremely valuable to the mission of serving and protecting our community; these skills are even more critical in the times of an emergency.

Requirements for program participation are very straight forward. Applicants of the program must have served for at least one (1) year in the U.S. Armed Forces. Prior Enlisted applicants and have completed Military Occupational Specialty (MOS) training /Rate training, Prior Commissioned Officers must have completed the Officers Basic Course or service equivalent training. All applicants must have received an honorable discharge, submit to, and successfully pass a background check.

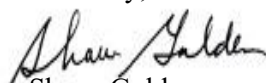

Successful candidates for the V.E.T.S. program should be willing to participate in training sessions and additional volunteer activities supporting the Sheriff's Office community outreach mission. Volunteers will be trained and resourced to perform duties professionally and proficiently at the discretion of the Sheriff or his designee.

As an example: an approved volunteer could be assigned to our Office of Emergency Management serving as a member of our Emergency Operations Call Center, a Community Emergency Response Team (CERT) or Shelter Manager.

The enclosed packet contains the required documentation to be completed for participation in the V.E.T.S. program. Please submit all completed documents to Mike Ferraro, Asst. Veterans Service Officer via regular mail, or via email to Mferraro@mcsonj.org. For questions or additional information he can be reached at 732-431-6400 Ext.1806.

Upon review of the application materials you will be notified of your status and next steps. Again, thank you for your service and we look forward to hearing from you!

Sincerely,

Shaun Golden
Sheriff
